It is intimated that in the meeting of State Sanitation Mission held on 6.10.2009 under the Chairmanship of Chief Secretary, Haryana, the matter regarding availability of Sanitation Facilities by Commercial establishments was discussed. Further, a suggestion on the matter has been received from Financial Commissioner and Principal Secretary to Government Haryana, Development & Panchayats Department to enforce the existing provisions of Factory Act etc. pertaining to commercial establishment strictly for providing the adequate sanitation facilities to the workers and visitors. Though the Department is approving Building Plans of commercial colony as per provision of part VII Building Bye Laws as mentioned in the Punjab Schedule Road and Controlled Areas Restriction of Unregulated Development Rules 1965 /National Building Code, which includes sanitation facilities also, it has been suggested that the adequate sanitation facilities may also be provided in the brick Kilns, Rice Shellers and Dhabas etc. You are requested that while approving the building plan of such type of projects, the provision of adequate sanitation facilities for workers and visitors must be kept in view.
