

OFFICE ORDER

During the transfer of licence under Rule 17 of the Haryana Development and Regulation of Urban Areas Rules, 1976, it has been observed that the case is being submitted without examination of technical and financial capacity of the entity in favour of whom licence is sought to be transferred, particularly where the Collaborator Company/lead company is changed. The Department is directed to look into the technical (other than Collaborator Company/lead company) and financial capacity of the entity in favour of whom the licence is sought to be transferred under Rule 17 of Rules, 1976. The technical and financial capacity of the proposed transferee be examined in the same manner in which it is examined at the time of grant of licence and similarly the reason for transfer of licence should be sought and examined by the office.
